

# Assignment #4

**For this assignment you and your partner need to answer the following questions separately. Print them out or copy and paste them to type up your answers.**

## Communication

What is your desired frequency of phone calls/webcam chats/ instant messaging? (eg. Every night, every other day, every week...)	
Are replies to your voice mails, emails, or texts required? When are they required and when are they not?	
What time would you like to talk on the phone with your partner each day?	____:____ am/pm
Minimum and maximum duration of phone calls in min/hrs.	Min:_____ Max:_____
Should you always make sure to say goodnight/goodmorning?	Always say goodnight: Yes No Always say good morning: Yes No
If the other person goes out and comes back very late, do you want them to call you and let you know when they get back home? Does time matter? Or can they call anytime?	
Should you agree to have a certain day(s) of the week be a "date night?" How long should they last?	
Any other rules for communication?	
Are there any reasonable exceptions to any of the above rules? If so, what?
